Exhibit protection:	Subject to a decision by the Federal Justice Ministry, HMC offers exhibitors a certificate for submission to the German Patent and Trade Mark Office that the exhibit to be protected (consumer/investment product, design/utility model) has been exhibited at POLARIS. For further information see Online Service Center / approvals and applications.
Cost element clause	In the event that the utility or labour costs payable by HMC (e.g., energy costs for electricity or gas, costs of water; wages, etc.) change during the six-month period beginning after the conclusion of this contract and ending at the end of the scheduled time for the event, without HMC being able to reasonably influence this change, HMC may, at its reasonably exercised discretion, adjust the Service Fees by an appropriate amount, provided that the changes have an immediate impact on the (pro-rated) purchasing costs incurred by HMC. In case of a cost increase, the amount added to the Service Fees must not exceed the increase in HMC's purchasing costs, and HMC shall offset this added amount against any reduction of other costs incurred by HMC elsewhere if applicable.
Reductions in size of stand space:	The stand space specified in the confirmation is binding. After confirmation, any reductions in stand space requested by the exhibitor are possible only in consultation with HMC, and do not lead to reduction in stand rent. If HMC succeeds in renting out the stand space to a third party, an administrative fee amounting to 25% of the (proportional) participation fee for the space not used by the exhibitor is payable in accordance with clause 8.2 ATB.
Cancellation of stand: (see clause 8.2. ATB)	Free-of-charge cancellation is possible within the period specified in the placement proposal, or until confirmation without placement proposal. In the event of cancellation after stand confirmation, clause 8 ATB shall be applicable.
Early dismantling: (clause 7.3 ATB)	Dismantling of the stand before the period set for dismantling is a breach of contract. HMC is entitled to impose a penalty charge of € 1,000. The same shall apply if the entire stand personnel leave before the end of the exhibition.
Insurance: (see clause 21.7 ATB)	Any insurance requirements or damage reports should be sent to: versicherung@hamburg-messe.de . Insurance policies can also be booked via the OnlineServiceCenter.
USK-Registration - Unterhaltungssoftware-Selbst-Kontrolle (Entertainment software control)	<p>All youth protection regulations can be achieved by using privacy screens. Access control is nevertheless necessary. The responsible authority will check compliance with the law for the protection of minors at POLARIS and it can initiate appropriate legal measures in the event of violations.</p> <p>In the event of violations, in addition to the closure of the exhibition stand, exhibitors may face fines of considerable amounts.</p> <p>Content up to and including USK 12 can be presented openly at POLARIS. The appropriate USK sticker must be displayed clearly visible (recommendation: at least 3.5 x3.5 cm) at or next to all game stations. The USK provides corresponding templates for printing under this link.</p> <p>USK 16 / 18 areas are also to be marked clearly visible. The USK does not provide stickers! IARC markings e.g. from the Google Play Store or Nintendo eShop do not apply to public events such as POLARIS.</p> <p>Content marked USK 16 / 18 or without USK mark: This content may only be shown to the respective age group. Separate rooms, averted monitors and privacy screens must be used to ensure that younger visitors cannot see this content. Access control of the stand areas by stand personnel must be ensured by the exhibitors.</p> <p>In the case of displays showing content with the USK 12 rating, exhibitors must ensure that younger visitors are allowed to watch, but not to play themselves. In the case of content with the USK 0 or USK 6 rating, no precautions need to be taken during stand construction.</p> <p>The responsibility for compliance with these requirements lies solely with the exhibitors.</p>
Exhibitor-WiFi	<p>Included in the participation fee, each exhibitor receives WiFi access for one device per exhibitor (main exhibitor only).</p> <p>The provision of WiFi access data for a maximum of 1 end device per exhibitor applies to the entire event period including the official set-up and the first day of dismantling. Internet access can be used in Halls B1 and B4.</p> <p>The 5GHz frequency band is used to ensure the best possible performance. The speed of the individual user is 4-16mbit/s depending on the amount of total users in the hall.</p> <p>Before the start of the convention, the exhibitor will be sent the access data for a device.</p> <p>Exhibitors who need WiFi access for more than one device at their stand can conveniently book the desired internet connection for a fee via the online service center or send their request to customerservice@hamburg-messe.de.</p>
