Advocacy fee:	WindEurope is the voice of the wind industry, actively promoting wind power in Europe and worldwide. It is a non-for-profit organisation. All its events' and membership's revenue (including the WindEnergy Hamburg advocacy fee) is invested in advocacy, PR, research and analytical activities. Its work helps to create the policy and regulatory frameworks within which companies can successfully develop their businesses.
Registration fee for co-exhibitors: (see Clause 4.3. ATB)	Co-exhibitors must be notified to HMC in writing with indication of company name, address, and products / services. The main exhibitor registers his co-exhibitor via his online registration no later than six weeks before the start of the event. After receipt of the co-exhibitor registration, a new admission with the subsequently registered co-exhibitors and a subsequent invoice of the registration charge for co-exhibitors and Digital Networking & LeadGrowth Package will be issued. The registration fee for co-exhibitors is € 400.– plus VAT per co-exhibitor and will be invoiced to the main exhibitor. Respective forms can be found in the Online Service Center (OSC). The resulting costs for additional supervision and security staff will be charged to the exhibitor. Events are permissible up to 22:00 hours at the latest.

Cost element Clause:

In case of a cost increase, the amount added to the Service Fees must not exceed the increase in HMC's purchasing costs, and HMC shall offset this added amount against any reduction of other costs incurred by HMC elsewhere if applicable.
